

TANNER GRIFFIN

FULL STACK WEB DEVELOPER

OBJECTIVE

Dedicated and experienced customer service professional with proven success managing a team. Seeking an opportunity to use my professional experience along with my technical aptitude to grow in the field of web development. Proficient in building user-facing apps using the MERN stack with TDD and CICD.

EXPERIENCE

OPERATIONS SUPERVISOR

(Jun 2017 – Sept 2020)

Managing a program that provides personal banking services to VIP business customers. Duties: Management of program's staff, records, and accounts; creating datasheets detailing program efficiency; training employees and conducting performance reviews.

SOUND DESIGNER/ELECTRONICS

(Nov 2008 - Current)

A passion that has taught me how to manage and plan large scale projects, as well as troubleshoot complex problems. Experience building and repairing sound devices, both hardware and software.
